SECOND PRELIMINARY AMENDMENT

Dear Sir:

In advance of the Office Action for the above-identified application, please amend the  
application as follows:

In the Specification:

Please replace the paragraph beginning at page 10, line 13, with the following rewritten  
paragraph:

B1  
There is further provided in accordance with a preferred embodiment of the present  
invention, apparatus for intrabody measurement of an area within a body, comprising  
a probe for insertion into the area, a position sensor mounted on the probe, a position  
determining system, which determines position coordinates of the sensor at a plurality
